LD TOTAL

JACARANDA SPRINGS

Kalamunda Road
High Wycome, Western Australia

DESIGNED BY - LD Total

LD Total completed detailed design drawings for a new subdivision in Perth's eastern suburb of High Wycombe.

The project included working closely with the Project Engineers to ensure functional integration of the 5 nutrient stripping lakes and the surrounding P.O.S. landscape.

Design elements included:
- entry statement and walls
- boardwalks
- paving
- furniture and gazebo
- mature tree transplanting
- lake edge treatment
- detailed planting design.
