## JACARANDA SPRINGS

Kalamunda Road  
High Wycome, Western Australia

Landscape Development recently completed detailed design drawings for a new subdivision in Perth's eastern suburb of High Wycombe.

The project included working closely with the Project Engineers to ensure functional integration of the 5 nutrient stripping lakes and the surrounding P.O.S. landscape.

- Design elements included:
- entry statement and walls
  - boardwalks
  - paving
  - furniture and gazebo
